HULL INSURANCE – YOUR ADVANTAGES

Reliable all-round protection against all risks

All risks to which the insured boat or yacht is exposed during the term of the insurance are covered. Including damages resulting from theft, fire, acts of God, sinking, grounding, collision or piracy.

Reimbursement without deductions

We will agree a fixed insurance sum with you, which will be reimbursed in the event of total loss without any deduction for actual cash value, so that you are able to afford an equivalent vessel.

New for old

If your vessel is damaged and needs new parts for repairs, partial damage without deduction for actual cash value will be covered, up to the agreed insurance sum.

No deductible for you

No deductible will be charged in the event of total loss, burglary, transport damage, fire, damage to personal effects and many other events.

Salvage? No problem!

Unlimited costs are covered without deductible in the event of salvage or wreck removal.

Trailer and cradle

These are insured if permanently belonging to the vessel.

Fast breakdown assistance

Costs for assistance in an emergency, e.g. towing to the nearest shipyard or delivery of fuel and replacement parts, are covered up to a total of EUR 10,000.

Transport and storage

Land and river transport of your yacht is covered, as are slipway and crane procedures, winter storage and shipyard and repair stays.

Inspection costs included

If you have grounded your vessel, the necessary inspection costs are covered without excess, irrespective of whether any damage is established.

Construction and material errors

Consequential damages resulting from construction or material defects, as well as wear and tear resulting from normal use, are fully covered in the event of an insured peril. Only the damage to the directly affected part is excluded.

Accommodation and Return Journey Costs

Necessary accommodation and return journey costs for the Skipper, crew and guests, shall be reimbursed up to a sum of EUR 5,000, if the yacht is uninhabitable during a journey as the result of an insured event.

OPTIONAL: MOTOR PROTECTION PLUS
