

BELLA 620 C

Bella 620 C is a sensible boat for ferry and leisure use with features for a number of purposes and conditions. It complements Bella's cabin cruiser range and offers many clever solutions for cabin cruisers more than 6 metres in length. Bella 620 C combines the typically good safe handling with functionality, beautiful design and innovative details. Bella 620 C is the ideal choice for the family for ferry, leisure and fishing purposes.
